

Dear Students and Families,

Hello! Library lessons and information will be emailed to parents and students through Skyward. They will also be available to students in their class Teams site. To make them easier to find, when you open Teams you will see a library channel. Click on the library channel and select files to see all the lessons. The lessons are in a Sway presentation. A SWAY is comprised of slides that you progress through with the arrow button. You want to be sure to click on the underlined text, which will take you to a video or link related to the slide. in the letter. If asked to sign in, students should use their KSD Microsoft account sn#####@kent.k12.wa. Please let me know if you are having any trouble using the Sway. I will be happy to help.

In the lessons there are **read aloud books**, **drawing or stem activities**, and additional **optional enrichment activities**.

For k-3 students:

This week's Washington Children's Choice Picture Book is The Ugly Five. I have made a **Sway presentation of the book and some related activities** I hope you enjoy the presentation. Remember to take an AR test after you finish the read aloud of the book.

(You may need to click the play button in the upper right-hand corner)

For 4-6 students:

This week's lesson focuses on the Wizarding World of Harry Potter. The Sway presentation includes how to get a copy to read or listen to, information about the author, online games and activities, celebrity readers, and an opportunity to learn to draw Harry Potter characters. I hope you enjoy the presentation and look forward to seeing your videos! The Harry Potter books do have AR tests to accompany them. Please remember to take an AR test after you complete a book.
